About our tutors

Tutors are Rose-Hulman Institute of Technology students who are recommended by Rose-Hulman faculty for their technical knowledge and ability to communicate clearly. The Homework Hotline has about 140 tutors on staff, and more than 30 are available to answer calls and online requests each night. The Homework Hotline program is certified by the National Tutoring Association.

Tutors do not give answers but are trained to guide students through homework problems to help them better understand math and science concepts. They have access to current math and science textbooks, computers and the Internet.

Financial sponsors

Rose-Hulman Institute of Technology and Lilly Endowment Inc. support the Homework Hotline.

Program history

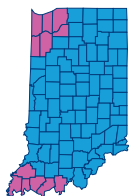

The Homework Hotline started in 1991 as a free community service for students in Vigo County. Today, the Homework Hotline extends its free math and science homework help and educational resources to students in grades 6–12 statewide.

Our stats

During the 2014–2015 school year, the Homework Hotline conducted a total of **33,519 tutoring sessions**. Of those, 25,935 were by phone and 7,584 were online. Seventy-eight percent of the requests were for math assistance.
